Protect
Protect yourself and others:

• Maintain 6 ft of distance between yourself and others.
• Wear a face covering. Avoid touching your face.
• Wash your hands often or use hand sanitizer.
• Limit contact with equipment, avoid gathering in groups and visiting others’ work spaces.

Disinfect
Keep your environment clean:

• Disinfect all work surfaces and equipment before and after use.
• Store personal belongings responsibly and don't share personal items like phones or headsets.
• Don't leave waste behind for others to clean up.

Respect
We're all in this together:

• Follow all worksite guidance and protocols.
• Stay home if you're sick.
• Alert your Tech Manager or Crew Coordinator if you suddenly feel ill and remove yourself from the worksite.
