Workers Pay No Part of the Cost for Unemployment Insurance

Unemployment Insurance Tax:

Often unemployed workers tell us that unemployment insurance is due them "because they have paid for it." In South Carolina, employees do not fund unemployment insurance through deductions from pay. Employers fund unemployment insurance through tax contributions.

Social Security Tax

Don't confuse unemployment insurance with old age, survivors and disability insurance. The amount deducted from your wages as Social Security is your contribution to old-age, survivors and disability insurance. The employer contributes an equal amount, in addition to his payment of the full unemployment insurance tax.

If you have lost your job due to domestic violence, there is a possibility you may be eligible for unemployment insurance benefits.
